NOTE: If you are vending both Friday and Saturday, the State of Vermont Food Inspector will require that you have appropriate licensure and will inspect your set up. A confirmation letter and map will follow to identify your assigned set up location and time. All Food Vendors requiring electricity must either have a quiet generator or arrange with the Barre Heritage Festival for access to electricity which may be provided by the City for an additional cost. All electrical cords and set up must be approved by City officials the day of the festival at setup.
